

Help with your English?

Improve your grades at school or university

Improve your grammar and style, prepare for tests at school and become confident about giving speeches in class or seminars!

Talk and write in English

Whether you want to practice your everyday English or learn how to write applications, business e-mails etc. – everyone is welcome! We meet in a public place and talk or do language exercises.

German is my mother tongue but I am absolutely fluent in English and can talk about any subject and proofread anything. I hold an M.A. degree in English, the "1st Staatsexamen" and the *Cambridge Exam of Proficiency in English*.

I charge 15 € per hour (60')
for my assistance in English.
